*A fever in the heartland : the Ku Klux Klan's plot to take over America, and the woman who stopped them*

by Timothy Egan

A Pulitzer Prize-winning journalist traces the Ku Klux Klan's rise to power in the 1920s, driven by the con man D.C. Stephenson, and how a seemingly powerless woman named Madge Oberholtzer brought them to their knees. Illustrations.

*The cat's meow : how cats evolved from the savanna to your sofa*

by Jonathan B. Losos

A leading evolutionary biologist and cat lover explores how researchers today are unraveling the history and secrets of the world's most popular and beloved pet, past and present, using all the tools of modern technology, and suggests what the future may hold for both *Felis catus* and *Homo sapiens*. Illustrations.
