#### *Theo of Golden*

by Allen Levi

NEW YORK TIMES BESTSELLER One spring morning, a stranger arrives in the small southern city of Golden. No one knows where he has come from...or why... His name is Theo. And he asks a lot more questions than he answers. Theo visits the local coffeehouse, where ninety-two pencil portraits hang on the walls, portraits of the people of Golden done by a local artist. He begins purchasing them, one at a time, and putting them back in the hands of their rightful owners. With each exchange, a story is told, a friendship born, and a life altered. A story of giving and receiving, of seeing and being seen, *Theo of Golden* is a beautifully crafted novel about the power of creative generosity, the importance of wonder to a purposeful life, and the invisible threads of kindness that bind us to one another.
